Instructions for Taking a Placement Test for Japanese Classes updated: 2024/07/30

Note: All you need is an internet connection and headphones. In order to take the test, you must have the following environment.

OS	Windows 8.1 and above, Mac OS X and above
Internet browser	Edge、Firefox、Google Chrome
Monitor	Resolution above 1024×768
	The ability to play audio.
Other	Enabling JavaScript.
	Must have an internet connection speed (high speed connection) to play videos.

The purpose of taking the placement test is to ensure that you are placed in an appropriate level of class based on your Japanese proficiency. You must take the test individually in an isolated space and do not communicate with anyone during the test. After taking the test, you must submit your test results through the form.
